

## Cemetery Trustee Meeting 1/14/20

Meeting opened at 1 PM. Present were Bill Keyser, Jim Reed, Beth Frost and JoAnn Hicks.

Minutes from the last two meetings, 11/19/19 & 12/10/19, were read over. Bill made a motion to accept and Jim seconded it. All voted in favor.

Bill reported that a woman who lives up on Elbow Pond Road (Edie Beth Farrington) called him regarding the gate at the cemetery on Old College Road across from the old Dunn place. The gate had been stolen and volunteers replaced it at their own expense. She wanted to replace the new gate with one that would match the fence. Bill told her no because it might offend the people who had already replaced it.

Bill has the Cemetery Trustee report for the annual Town Report ready and will drop it off at the Selectmens office. He went over the submitted budget with Jim, as Jim had missed the November meeting when Bill presented the budget to us.

Jim brought up the subject of the Sexton position. He and Bill talked it over saying that we might not need a Sexton after a new Road Agent is hired. Jim suggested that we terminate the position.....at least until after March, when we know what we will be dealing with. He feels that the Sexton job can be taken over by the road crew.

Bill will turn over all his papers to us at the February meeting as he is not running again due to being a Selectman. Jim suggested that he ask Stephanie Hurlbutt to run for Trustee. If so, he will tell her to sign up. We will need a third member.

Meeting adjourned about 1:30.

Respectfully submitted,

Elizabeth E Frost, Secy
