## APPENDIX V

## Master Plan Update Committee Members

The Master Plan Update Committee (MPUC) was formed in October, 2004 at the request of the Planning Board, and ceased to exist in November 2009 when a final draft of the new Andover Master Plan was transmitted to the Planning Board for its review and subsequent adoption under the provisions of state law. In 2004, all known organizations in town were contacted and asked to participate in the work of the Committee by nominating a person or persons to serve on the MPUC. Several people served during the entire five years, including Paul Currier, Wood Sutton, Art Urie, and Don Gould. Roger Godwin, Doug Boisvert, and Armand Boisvert contributed faithfully during the early years of the committee, as did Nancy Teach and Mary Anne Broshek during the later years. Special thanks to Ed Hiller for writing the Historical and Cultural Resources chapter, to Tina Cotton for writing the Natural Resources chapter, and to Wood Sutton for compiling and charting census and demographic data. The list below was compiled from meeting minutes. Names include all who attended two or more meetings at which minutes were taken, listed in order of recorded frequency of meeting attendance. The Planning Board would like to also acknowledge and thank the many other Andover residents who participated in the development of the new master plan during the five-year life of the committee

> Paul Currier Don Gould Art Urie **Armand Boisvert** Nancy Teach Mary Anne Broshek Tina Cotton Wood Sutton Roger Godwin Susan Schnare **Bob Ward** Mark Cowdry Sandra Graves Don Cline Gillian Smith Lorraine Cline
