

**Town of Andover, NH**  
**HIGHWAY DEPARTMENT GARAGE PROJECT**  
**ADDENDUM No. 1**

Based on questions submitted to date, please find the following additional information to accompany the Request For Proposals released July 10, 2023.

In reference to sections:

1. **Section 1.2.** Other shared project websites (for example ProCore) are acceptable alternates to the use of a Sharepoint site.
2. **Section 1.5.** Building conceptual drawings including the site plan with utilities (as prepared by Dubois & King, Inc.) are provided for reference and further understanding of the project description.
3. **Section 2.3.14.** New Hampshire law requires local government entities to secure a payment bond on all projects with a value of \$125,000 or greater. RSA 447:16.

In general:

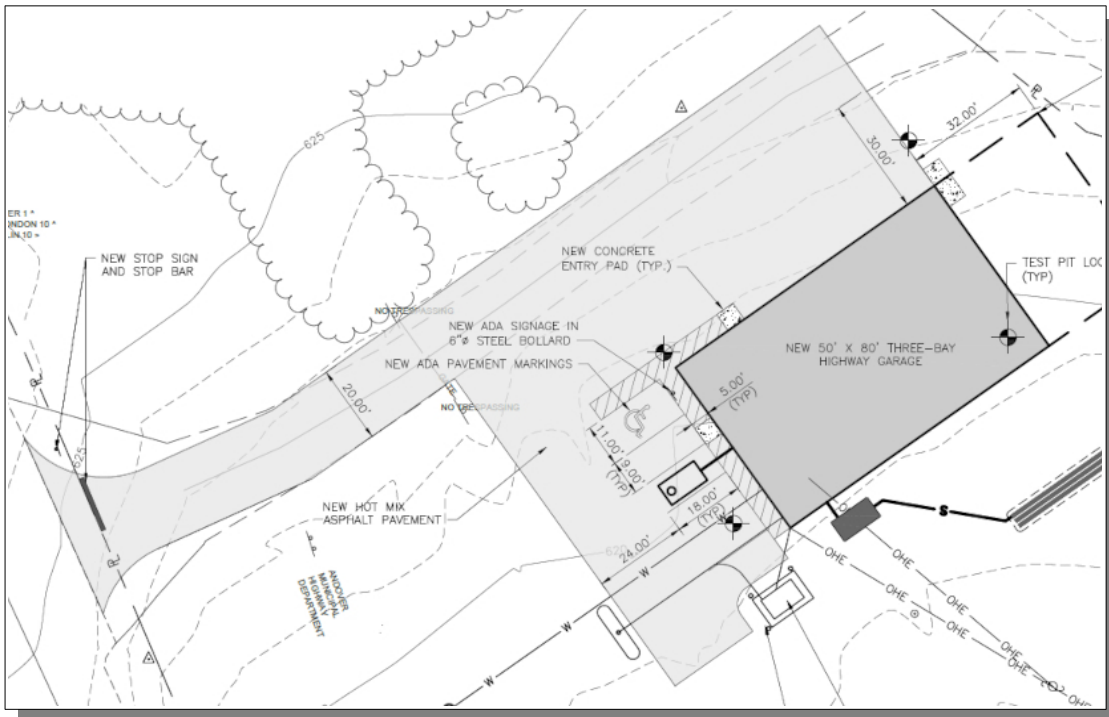

4. **Numbers of Submissions.** Proposing Design/Build Firms are to submit an Original plus 3 copies of their proposal.
5. **Product files.** Product files are shop drawings and manufacturer's literature.
6. **Project Experience.** The requirement is three (3) projects showing the firms experience with similar projects.

Refer to next two pages for conceptual drawings.
